

Short Instructions:

Take I-64 East to the Sandstone, Hinton Exit. Take route 20 to Hinton. In Hinton pick up route 3 which joins route 12 and follow 3 and 12 out of Hinton. Then follow route 12 where it splits from route 3 to Forest Hill.

Long Instructions:

- Take I-64 East from Charleston to the Sandstone/Hinton Exit.
- From the exit, take state route 20 and go 10.6 miles to Hinton. Follow route 20 thru Hinton.
- After crossing the bridge, route 20 joins route 3 (continue straight at junction).
- Follow **state route 3** from here toward Alderson. You will re-cross the river with a good view of Bluestone Dam. Take a right at end of bridge to continue on Routes 3 and state route 12.
- After 7.4 miles from Hinton state route 12 veers right from route 3. **Follow state route 12.**
- **Go 6.5 miles from the intersection to Forest Hill.** A post office will be on the left as you enter the small village. One tenth of a mile after topping the hill, take a right on Seminole Road and park at the church at the top of the hill. **If you get to the intersection with State Route 122, you have gone to far.**

Forest Hill is a small, unincorporated community. The two churches, post office and the small art gallery make up the main groupings of buildings.

As you arrive in Forest Hill from Hinton, there will be a post office on your left. After you crest the hill Seminole Road goes right. Old access was at the top of the hill. Go 0.2 miles out Seminole Road and park at this church at the top of the hill and enjoy the view from the parking lot. **Turn list starts at the intersection.**

Please do not park at the Wake Robin Gallery, as parking is limited for the business and they share parking space with the adjacent church.
